

TRAINEESHIP PROGRAM

Gain a nationally recognised qualification with training specific to your needs.

PROPOSED OUTLINE FOR A CONSERVATION AND LAND MANAGEMENT TRAINEESHIP

SCHOOL BASED AND NON SCHOOL BASED

Students undertaking a Conservation and Land Management Traineeship can expect to attend a number of group trainings with RST (as outlined below); and have 'electives' signed off by a supervisor/assessor to confirm their competence in performing tasks.

RST FACE TO FACE TRAININGS

CORE Block Release

- Workplace OH&S procedures
- Work effectively in the industry
- Participate in workplace communication
- Observe environmental work practices

FIRST AID Block Release

- Apply first aid (Senior First Aid certificate)

RECORD KEEPING Block Release

- Keep records for the small business
- Create and use simple spreadsheets

CHAINSAW Block Release

- Chainsaw 'Ticket'

EMERGENCY RESPONSE AND FIRE SAFETY Block Release

- Prevent injury
- Respond to wildfire
- Use portable fire fighting equipment

CHEMICAL ACCREDITATION Block Release

- Full Chemical Accreditation Certificate

Other possible trainings may include welding and machinery maintenance.

ELECTIVE REQUIREMENTS

Trainees will need to complete approximately 6–10 electives depending on the course they are doing. These can be selected according to the trainees' interests and/or the work they will be doing on the job. The electives can be assessed and signed off by a supervisor as appropriate once the trainee can perform the required tasks. Electives could consist of any of the following examples or any of the units from the Conservation and Land Management Training Package:

RTC2012A	Plant trees and shrubs
RTD2022A	Carry out natural area restoration works
RTD2202A	Conduct erosion and sediment control activities
RTD2206A	Install aggregate paths
RTC2209A	Install, maintain and repair fencing
RTC2309A	Operate tractors
RTD3034A	Implement revegetation works
RTC3213A	Implement property improvement, construction and repair
RTC3310A	Operate specialised machinery and equipment
RTC3404A	Control plant pests, diseases and disorders
RTD3505A	Maintain natural areas

FLEXIBILITY

We work with employers to determine the most suitable training plan for trainees, however all students are required to attend the compulsory 'Core units', Senior First Aid and the generic trainings applicable to their qualification.

SACE POINTS

School based trainees earn SACE points while gaining a nationally recognised qualification.

RST WORKS WITH YOU TO ENSURE TRAINING MEETS YOUR NEEDS
